

OUR SCHOOL

Mountain Ridge Schools delivers a blend of British and Nigeria Curriculum utilizing the tools of technology and other modern instructional methods to prepare our tools to be at the cutting edge of a future driven by advances in artificial intelligence.

OUR VISION

Building thinkers innovators and solution providers for tomorrow's challenges.

OUR MISSION

To nurture great minds to lead the future.

❖ Goals

We are driven to deliver an effective learning environment where critical thinking and confidence is developed in every child.

We create:

- An enabling environment where the children are comfortable and happy.
- To develop in the child a desire for learning through activity-based methods and hands on learning.

*EDUCATION IS NOT
THE LEARNING OF
FACTS BUT THE
TRAINING OF MINDS
TO THINK.....

LEARNING THE
MONTESSORI WAY
IS LITERALLY
LEARNING FOR
LIFE

STEAM

We use Science, Technology, Engineering, Art and Mathematics activities with a blend of British and Nigeria learning with inculcation of learning segments which is driven in steam focus. The pupils are able to:

Ask: Define the problem, what are the challenges

Plan: Make a model or draw a diagram

Imagine: Brainstorm ideas, pick the best one.

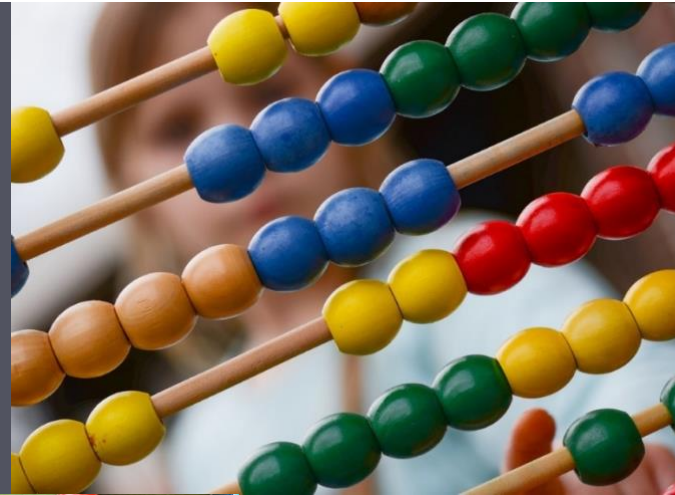

Create: Test the model, Follow the plan.

Improve: Did it work? , How can you make it better? Repeat step 1-4 to make changes.

CODING

21st Century learning prepares pupils for the unknown. Our coding classes prepares this learners to become Global citizens.

"THE GOAL OF EARLY CHILDHOOD EDUCATION SHOULD BE TO ACTIVATE THE CHILD'S OWN NATURAL DESIRE TO LEARN"
