

# MOUNTAIN RIDGE SCHOOL

E-BROCHURE

## OUR SCHOOL

\*\*\*Mountain Ridge Schools delivers a blend of British and Nigeria Curriculum utilizing the tools of technology and other modern instructional methods to prepare our tools to be at the cutting edge of a future driven by advances in artificial intelligence.

## OUR VISION

Building thinkers innovators and solution providers for tomorrow's challenges.

## OUR MISSION

To nurture great minds to lead the future.

### Goals

We are driven to deliver an effective learning environment where critical thinking and confidence is developed in every child.

We create:

- An enabling environment where the children are comfortable and happy.
- To develop in the child a desire for learning through activity-based methods and hands on learning.

## OUR SERVICE

- Crèche
- Preschool
- Primary
- Afterschool
- Couching for International Examinations.

## OUR METHODOLOGY

- Individualized learning where each child is nurtured according to his or her learning pace.
- Create termly stretch learning goals for each child to optimize each child's capacity. \*\*\*
- Introduced themes for the Preschool section for out-of-the box learning. Project-based learning utilized for the primary section to ensure critical thinking, creativity and problem-solving skills are developed as well as team spirit and presentation skills.

## STEAM

We use Science, Technology, Engineering, Art and Mathematics activities with a blend of British and Nigeria learning with inculcation of learning segments which is driven in steam focus. The pupils are able to:

Ask: Define the problem or the challenges

Plan: Make a model or draw a diagram

Imagine: Brainstorm ideas, pick the best one.

Create: Test the model, Follow the plan.

Improve: Did it work? How can you make it better? Repeat step 1-4 to make changes.

## CLUB ACTIVITIES

- Music Lessons
- Dance Class
- Coding Camps
- Literary Club

## CREED

- Intense focus on our children's wellbeing and development
- Exceptional customer focused relationship in which our parents are kings and queens\*\*\*
- Respect and honor for our staff that provide tutelage for the next generation scholars\*\*\*
- Utilizing the means of cooperation, collaboration, critical thinking and creativity to guide our children into a world driven by science and technology. \*\*\*

## CODING

21st Century learning prepares learners for the unknown. Our coding class prepares these learners to become Global citizens.

## PRESCHOOL OUTSIDE THE BOX LEARNING

Every term, we operate theme base learning, which unites the pupils and the teachers and rally everyone around a central idea.
